JOSEPH AESTHETICS

COMPANY Profile

*Lines That Are Simple
Yet Sexy Can Be Seen In Every Piece Of Furniture.*

约瑟美学是一家现代化的国际家具公司，致力于为人们提供高品质、舒适、美观的家具。公司由彭氏姐弟于2012年创立。公司总部位于中国佛山，在德国柏林和香港设有分公司。

彭氏家族从事家具行业已有30多年历史。早在1990年，第一代彭氏兄弟就创办了一家专注于手工雕刻实木沙发的家具工厂。工厂很快就因其高品质产品而享有盛誉，产品销往全国各地。

第二代彭氏姐弟从小在父辈的耳濡目染下，深受工匠精神以及对品质追求的影响。他们决定创立一个新的品牌，希望将传统中国工艺与现代欧洲设计相结合，约瑟美学由此应运而生。两位创始人不仅传承家族对于高品质家具的理念，更是架构国际化的设计团队，致力于为更多家庭提供个性化舒适家具。

经过十多年的发展，约瑟美学已经发展成为一家集研发、生产、全屋配套于一体的现代化跨国家具企业并迅速成为佛山家具行业的领先品牌，其产品销往全球多个国家。

Joseph Aesthetics is a modern multinational furniture enterprise dedicated to delivering high-quality, comfortable, and beautiful furniture. Established in 2012 by the Peng siblings, the company is headquartered in Foshan, China with branches in Berlin, Germany, and Hong Kong.

The Peng family has been engaged in the furniture industry for over three decades. In 1990, the first generation of Peng brothers started a furniture factory specializing in hand-carved solid wood sofas. The factory quickly gained a reputation for its high-quality products that were distributed nationwide.

Influenced by the artisan spirit and the pursuit of quality by their parents, the second-generation Peng siblings decided to establish the brand Joseph Aesthetics. Their vision was to integrate traditional Chinese craftsmanship with modern European design. In addition to inheriting the family's concept of high-quality furniture, they assembled an international design team dedicated to providing personalized and comfortable furniture.

With over a decade of development, Joseph Aesthetics has evolved into a modern multinational furniture enterprise integrating research and development, production, and offers a comprehensive range of household furniture. The brand has quickly become a leading brand in the Foshan furniture industry, whose products are now distributed to numerous countries globally.

Simple elegant lifestyle,

[实木产品优势]

我们提倡将中西方的多元文化和生活方式融合提炼称极致美学的设计理念，在工业化的生产模式下，仍然保留着中国传统的手工艺制作方式。因此，约瑟美学突破了机械化生产方式对实木造型的限制，多数为手工倒角，并经由人工精细打磨而成。

[软体产品优势]

约瑟美学的软体家具产品，除了丰富多变的造型之外，其舒适感也是我们非常重视的。从内部框架的设计，到填充材料的选择，都经历了数次的打样实验。只为能够向顾客提供优质且舒适的产品体验。
为了实现满足产品复杂的造型要求，约瑟美学部分软体产品，也采用了手工缝线、手工收边等工艺，以求产品达到精美的效果。

Advantages in solid wood furniture:
We advocate the integration of Chinese and Western cultures and lifestyles to refine the design concept of ultimate aesthetics. Despite operating under an industrial production mode, we proudly preserve hand-made craftsmanship. This commitment allows Joseph Aesthetics to transcend the limitations imposed by mechanized production methods on solid wood modeling. We prioritize precision by manually refining edges and angles through fine grinding techniques.

Advantages in upholstery products:
Besides a wide range of products, Joseph Aesthetics places a strong emphasis on seating comfort, internal structure design, and the selection of filling materials. To ensure satisfaction and comfort in our products, all prototypes undergo various proofing experiments. To achieve the demand of complex appearance design, we incorporate various handcrafted techniques such as hand sewing, hand trimming etc.
